EXPERIENCE

Central Islip Public Library, Central Islip, NY — *Virtual Learning Assistant*

NOVEMBER 2020 - PRESENT

Provided technical support to families of Central Islip by assisting them in becoming better acquainted with technologies used for online learning

EDUCATION

Central Islip High School, Central Islip, NY — *Advanced Regents Diploma*

JUNE 2021

PROJECTS

RecycleIT — *March 2021*

RecycleIT is a web application designed to ease the process of recycling to the common person. The app aids users in finding nearby recycling centers using a user provided zip code or their current location, and also aims to educate users about the basics of recycling.

SimplWeather — *November 2020*

SimplWeather is a single page web application which comfortably displays current and forecasted weather data for a city, using a user provided zip code.
